

Dear Parents/ Guardians,

As you are now aware, Friday 22nd June is our School Sports Day. The children need to come to school dressed in their P.E. kit for the day, wearing trainers if they have them, as we have found that the black plimsolls often 'fall off' when the children are running. Please ensure your child has a named sun hat, water bottle and you have applied sunscreen before school.

The Foundation Stage activities will commence at 9.15am and last for one hour (approximately).

During this time the children will rotate around four activities, which will conclude with each child taking part in a running race. You are welcome to walk around the activities with your child but please stand on the school side of the track for the running races. At the end of the session, each child will receive a sticker for their efforts!

Following this, the children will return to their classroom for a drink and a snack, after which:

**NURSERY – NO REPLY SLIP NEEDED**

You will be free to collect your child if you wish. Nursery will run until normal time if you would like to leave your child. Please note there will be **no lunch club** on sports day.

**RECEPTION – PLEASE COMPLETE THE REPLY SLIP BELOW**

They will remain at school until after the lunchtime picnic. Once the children have been registered, you will be free to collect your child from the external classroom door at 1.10pm if you wish to take them home. School will run as normal until 3.10pm if you want to leave your child.

**PLEASE NOTE** that once you have taken your child(ren), whether it be to return home or to watch the following KS1 or KS2 activities, the children remain under your supervision and are not allowed to return to either the Nursery or Reception classrooms at any time.

We hope that everyone enjoys the day and the weather stays fine!

With thanks

Miss T Blake
