

Music for Youth Festival

I am delighted to tell you that the Dacorum Schools Choir have been invited to sing at the Music for Youth Festival. The festival is a lovely opportunity for us to sing and listen to other groups. We are also to gain some feedback on our performance from Music for youth (MFY) mentors who will be there at the festival.

The choirs will have three pieces to sing and all the groups are already working hard on the pieces we have chosen. There is a rehearsal on the day before for all the schools to come together, and it is really important to make that rehearsal if you can so the choir feels really secure and ready for the festival. Details of the event and rehearsals are below.
