

KS2 Stationery List

Essential items	Pencils Ruler (30cm) Pencil sharpener
Preferable items	Glue stick (Pritt or similar) Eraser Colouring pencils (class sets provided by the school) A few highlighters (class sets provided by the school) Pencil case (not large, so it can fit in a desk tray)
Pens	Children who have a pen license will be given a rollerball BLUE pen. They are supplied with one a term and should replace these if needed. No Berol pens please. Children should use medium rollerball pens.
Not needed	Unless requested by the class teacher, children should not bring in compasses (Maths). Felt tips are not needed as they are not allowed in school books. Children will only be able to use these for drawing at playtime.

All other equipment and resources are normally provided by the school and we ask children to look after these items as they would their own property.

Homework books should be looked after – they can be covered – and should not be drawn or doodled on.
