

St Thomas More Catholic Primary School

Dear Parents

Pupils Participating in Short Visits to Local Venues

Whilst your child is at St Thomas More there will be occasions when teachers wish to take their class on local excursions away from the school grounds for environmental studies, library and shop visits, sporting fixtures etc. These trips are often arranged at short notice as they are usually dependent on good weather, and we are not always able to give sufficient written notice.

Could you please complete and return the slip below giving permission for your child to participate in these trips during his/her time at St Thomas More. Adequate supervision will always be ensured.

You will be notified if any transport is involved.

Yours sincerely

Mrs K Little
Executive Headteacher

.....

To: St Thomas More School

I agree that my child may take part in any short visits to local venues which may be arranged during his/her time at the school.
