## FS2 NEWSLETTER

### Friday 10<sup>th</sup> September

---

Well, what a busy week we have had!

The children are coming in to school independently now and we are incredibly proud of them and grateful for your support.

This afternoon, the reception children met their Year 6 buddies and we had a wonderful time with much laughter and excitement! For those of you that are new to the school; this is a wonderful tradition in which each FS2 child is paired with a year 6 child. They form a close friendship and their buddies visit them and share experiences such as reading, drawing and playing. In the summer term, they also share picnics and outside activities.

We would really appreciate it if you could send in a family photo and now the weather has changed, wellies and waterproofs to keep at school. We are out in all weathers.

This week the children have all drawn a picture and written their name to go in their journal as a memory for their first full week at school. We have focussed on sharing and looking after our friends.

Have a lovely weekend,

Mrs Adams & Mrs O'Hara
