February 2017

Dear Parents/Carers,

COOL MILK

School Milk Scheme

I am writing to inform you that the school milk order scheme will be changing as from Wednesday 19th April 2017. If you would like to order milk for your child it will be provided by the "CoolMilk" scheme. Parents will be invited to register their child online and then each registered child will receive a carton of semi-skimmed milk every day, which is delivered fresh and chilled to their classroom as per normal. School milk is free for all under-fives and is subsidised for pupils aged five or older at around £15.00 per term. Shortly after registering, you will receive a payment request if your child is over 5 years of age.

I will write to you again very shortly with information on how register your child and by which date in order that your child will receive milk as from the beginning of next term.

If you have any further queries please do not hesitate to call the school office.

Yours faithfully,

Mrs Parker

School Administrator
